

**Imported samples from QTX files cannot be stored into the database, possible error messages "Sybase ODBC error - - Column Sample ID in standard table cannot be null." or "[Sybase][ODBC**

The Qtx file format does not comply with the requirements to be stored into the database. Problem known with DCTools versions below 1.2 build 395.

*This may occur with QTX created by non-Datacolor software.*

Please contact Datacolor.
